

**REMARKS**

The specification is amended in accordance with 37 CFR §1.78 to make reference to the International Application from which this application originates and to incorporate by reference the Japanese priority applications.

Claims have been amended to eliminate multiply dependency. The amendment is made to reduce filing fees and not for any other reason related to patentability of such claims.

Abstract has been amended to conform to U.S. practice.

No new matter has been added by these amendments.

In view of the above amendment, applicant believes the pending application is in condition for allowance.
